

Intrax Work Travel Program - Terms and Conditions

By clicking on "Agree", you verify that you have read all of the Terms & Conditions and that you understand and agree to the entirety of the Terms & Conditions. You do not rely on any statements or representations that are not specifically stated in these Terms & Conditions.

Intrax is your official program sponsor while you are in the U.S. and your primary point of contact. Your agency in your home country, while a valuable resource, is not your sponsor. You understand that no other party should be contacted for support while in the United States. Intrax is not your host company and shall not be responsible for any act or error on your part.

Intrax staff is available to assist you with any questions or to advise you regarding any challenges you may experience while you are participating in the Intrax Program. In the U.S. you can call Intrax (toll free) at 1-888-224-0450 weekdays from 9:00a.m. to 5:00p.m. local time. You can call the same toll-free line at any time, 24 hours per day, 7 days per week, in case of an emergency. You understand that, in assisting and supporting you to have a successful program, our primary goal will always be to ensure your health, safety, and welfare

Eligibility

- You agree that the information provided on your application is complete and accurate.
 - You will be between 18 and 28 years old by the program start date. Any exception to this age range will have to be made in writing by IWT.
- You are or will be, at the time of the visa application enrolled full-time and pursuing studies at an accredited post-secondary, classroom-based, academic institution (not a technical, vocational, tertiary or trade school) physically located outside of the U.S. You will have completed at least one semester of post-secondary study, with grades issued (report card) by the program start date. You also understand that:
 - "An institution that offers primarily vocational or technical programs is not an academic institution unless the specific program in which the exchange visitor is to participate or has participated has been determined by the U.S. Department of State on an exceptional basis to be comparable to those offered in academic institutions." [§ 62.10 Definitions. General Provisions]
 - "A foreign university student, who at the time of application is enrolled in and actively pursuing a degree or a fulltime course of study at a foreign ministerially-recognized university/ academic institution and whose purpose is work and travel in the United States for up to four months during his or her break between academic years." [§ 62.4 Categories of participant eligibility. General Provisions]
- You possess sufficient proficiency in the English language to participate in the program and are comfortable expressing yourself to request assistance in an emergency and in daily activities.
- You are physically and emotionally capable of performing the tasks required as outlined in your job offer.
- You will provide Intrax with a valid email address and you will keep it updated in the Intrax database since this will be Intrax's primary method of contacting you with important information while you are in the U.S. You will provide Intrax with a valid phone number at which we can reach you in the U.S.
- You are responsible for bringing enough money to the U.S. to cover the cost of your food, housing and other personal expenses for at least one month. You will bring a minimum of \$1,000.00 (e.g. cash, credit card access, travelers' checks) to cover initial expenses such as transportation costs from airport to host company, food, etc.

- While Intrax will provide program support and assistance, Intrax is not responsible for your expenses, delays in obtaining your Social Security card or for any period of time during which you are not being paid by a host company. Intrax cannot loan money to you.
- You make a good faith commitment to returning to your home country at the end of the program and not changing your visa status.
- You agree that you have enrolled in a cultural exchange program, for which work is an important component, but not the sole purpose of the program.
 - You also agree that you understand that a second job is not something that can be guaranteed on the program or even permitted. Any placement beyond your primary, Intrax -approved placement, for which the U.S. consulate issues a visa, will need to be pre-approved by Intrax before you would be allowed to begin working.
 - You agree that the "purpose of the Program is to provide foreign nationals with opportunities to participate in educational and cultural programs in the United States and return home to share their experiences, and to encourage Americans to participate in educational and cultural programs in other countries" [§ 22 CFR 62.1].
 - You also agree and understand that participants will "work in jobs that require minimal training and are seasonal or temporary in order to earn funds to help defray a portion of their expenses." [§62.32 Summer work travel, (b) Purpose]
 - The "stipend or wages might not cover all...expenses and [you] should bring additional personal funds." [§ 62.8 General program requirements, (d) (3)]

Visa and Entry

- A DS-2019 form enables you to apply for a J-1 visa. The U.S. Consulate may approve or deny your application for a visa. In rare cases, even if you receive a J-1 visa, you may be denied entrance by U.S. Customs and Border Protection. Intrax is not responsible for and cannot control or change these decisions.
- Home-country physical presence requirement: If applicable, the U.S. Consulate will indicate if the two-year homestay rule applies on the visa. If it applies, then the participant "must reside and be physically present in the country of nationality or last legal permanent residence for an aggregate of at least two years following departure from the United States before the exchange visitor is eligible to apply for an immigrant visa or permanent residence", or for non-immigrant visas in the L or H categories as detailed at § 62.2 Definitions.

Orientation

- You will complete an orientation provided by Intrax before you depart your home country. Failure to do so will result in your inability to participate in the Intrax Program.
- You have also read and understood the online Participant Handbook and will ask Intrax or your local Intrax representative for clarification on any points that are not explicitly understood.

Travel and Housing information

- You are responsible for making your own travel and housing arrangements, and must provide your travel and housing plans at least two (2) weeks prior to arrival in the U.S. by ensuring that your plans are

submitted to through your online IWT account. Failure to report travel information in a timely manner suggests that a visa has not been issued and may result in the loss of your job placement.

- You must secure at least temporary housing prior to arrival.
- While Intrax provides resources to assist, the Intrax Program does not include housing and Intrax is not responsible for providing housing to you.
- If housing is provided through your employment opportunity, the information and restrictions on such housing are identified in the housing section of the job offer or through a housing agreement. You must comply with any and all requirements indicated in the housing agreement or risk losing the placement that may be connected to the housing.
- Host company-provided housing is subject to local housing laws and Intrax makes no representations or guarantees regarding its nature or quality.
- You agree to not jeopardize your own wellbeing (e.g. intentionally overcrowding into housing to save on costs; violating traffic laws; walking along dangerous roads;...) and understand that doing so, while it may appear to be your own decision, is a reason for program dismissal.

U.S. Arrival and Check-in

- You must depart your home country:
 - During your university summer vacation
 - No more than 2 weeks prior to the start date on your DS-2019 form
 - In accordance with your local U.S. Embassy's Program date restrictions
- Within three (3) days of arriving in the U.S. you will confirm your arrival with Intrax by completing the Check-In Form found in your online account, or by calling toll free to 1.888.224.0450 and speaking to a representative during normal business hours, weekdays from 9:00 a.m. to 5 p.m. local time.

This is the only way for your program to be activated in the Student & Exchange Visitor Information System (SEVIS). Failure to do one of the above will result in your dismissal from the Intrax Program and will lead to being out of J-1 visa status.

Monthly Contact

- You must respond to the Monthly Contact promptly through your online account, by phone, or in person. This is intended to confirm your location, health, safety, and welfare. If you need no assistance, you are still required to express that through the Monthly Contact.
- Failure to carry out Monthly Contact every 30 days will result in program dismissal, per program regulations.

Program Dismissal

- If you are dismissed from the Intrax Program for any reason:
 - You will be in the U.S. out of J-1 visa status.
 - You risk problems with Immigration and Customs Enforcement.
 - You may have a negative mark on your immigration record which could hinder future visa applications.
 - You understand that you are a cultural ambassador to your home country, and that your actions and behavior reflect directly on your home country.

Reporting to Your Host Company

- You will report to the host company listed in SEVIS and the Intrax. If you fail to report to your placement without Intrax's permission, then this may result in program dismissal, since U.S. Consulates issue visas specifically related to your pre-arranged placement having been verified.
- You understand that working at a host company not authorized by Intrax will result in dismissal from the program, per program regulations.

Terms of employment

- You understand that there are specific binding terms of employment listed in your job offer in addition to these General program terms and conditions.
 - You understand that your schedule and hours are dependent on your host company's business levels, which can be affected by numerous factors, including but not limited to weather, economic conditions, occupancy rates, etc.
 - Your schedule can also be affected by your job performance.
- You make a good faith commitment to provide your host company with a two-week notice before leaving, understanding that it is not appropriate to leave without this courtesy and communication with Intrax, as explained further in the Intrax Participant Handbook in your MyIntrax account. This is related to the fact any new placement will not necessarily be as high in quality as the one vetted by Intrax and the U.S. State Department's Kentucky Consular center as was part of the visa process and would not necessarily be confirmed as seasonal (i.e. program placements are limited to seasonal jobs in order to protect the American workforce).

Changes in employment and U.S. address

- You must speak to an Intrax support staff member about any desired change of host company.
- Starting new employment without written authorization from Intrax is not allowed.
- If Intrax supports a change of placement, you are responsible for submitting your new host company's information to Intrax within three (3) business days or risk program dismissal. You understand that this helps expedite vetting of your proposed host company. You will be responsible for the cost of transportation to the new host company's location.

- In the event you change any of the following: U.S. address, telephone number, or email address, you are responsible for notifying Intrax through your online account or by phone. [§ 62.10 Program administration. (c) Orientation]

End of Employment

- Intrax is not responsible for and cannot control employment decisions made by your host company.
- Your host company may end your employment at any time, without prior notification, with or without cause.
- You agree to contact Intrax if any job-related difficulties or disputes arise that may affect your continued employment.

Obey Laws

- While in the U.S., you are subject to the U.S. civil and criminal justice system. Failure to obey federal, state, and local laws may result in civil liability, criminal prosecution, fines, jail sentences or other penalties in addition to dismissal from the Intrax program. Intrax is not responsible for any civil or criminal liability you may incur or for assisting or defending you in any way in connection with any legal claims made against you.
- Regulations require that sponsors inform "all exchange visitors that they, and any accompanying spouse and dependent(s), also may be subject to the requirements of the Affordable Care Act." [§ 62.14 Insurance] However, the average participant will be exempt (i.e. will not have to worry about this), since the goal is for a return to the home country upon program completion. More details are available by consulting with Intrax.

Departure

- You understand that:
 - You can never work during the 30-day grace period intended to facilitate your travel plans. You understand that, if your local U.S. Consulate requires that you return by a specific date to your home country, then this supersedes the Grace Period.

- You must depart within 30 days of your SEVIS end date regardless of what your visa end date may be.
- You must arrive in your home country prior to the first day of classes in the next school term. If you overstay, you risk problems with Immigration and Customs Enforcement and/or a permanent negative mark on your immigration record.
- Your visa status and program dates cannot be extended or changed by Intrax.
- Intrax policy is that we are unable to assist in any way regarding a change of visa status, since remaining in the U.S. goes contrary to your good faith commitment to return home - a critical component of the Exchange Visitor Program, irrespective of any legal opportunities that may exist to change visa status.

Consent

- You consent and authorize Intrax and its parent company, International Training and Exchange, to use your name, photographs, file, application content, video resume or video likeness or any comments or statements from host companies or Intrax in materials or publications. - You also understand and agree that in case of a health, safety, welfare matter, Intrax will need to report on your wellbeing to the U.S. State Department.
- You opt into receiving emails from Intrax about your application, support, surveys, and program-related matters.

Intrax will make such payment only to the local Intrax representative in your home country. Intrax will not pay any refund directly to you. Intrax is not responsible for ensuring that any refund it pays to the local Intrax representative in your home country is paid to you, therefore, you and the local representative must arrange for any refund to be paid to you. For specific refund amounts please ask your local representative agency.
